Education

Carnegie Mellon University , Computer Science	Pittsburgh, PA
- Master's Thesis: The Structure of Deception: How LLM Agents Lie, Break Promises, and Exploit Trust in Multi-Agent Settings - Research Areas: Multi-Agent LLM Systems, AI Safety	2025 – 2026
Carnegie Mellon University , Computer Science	Pittsburgh, PA
- Additional Major in Computational and Applied Mathematics, Minor in Computational Finance - University and College Honors	2021 – 2025

Experience

Carnegie Mellon University , Teaching Assistant	Pittsburgh, PA
- Created weekly recitation materials and led sessions for 7 courses: Differential Equations (S22, F22, F24, S26), Intro to Machine Learning (F24, S25), Graduate AI (S26), Algorithm Design & Analysis (F25), Markov Chains (F25), Continuous Time Finance (S23), and Intro to Math Finance (S25) - Offered one on one support through designing personalized practice problems and exams - Addressed over 400 student questions and concerns using online Q&A platform	2023 – present 3 years
Xencio , AI Development Intern	Shanghai, China
- Developed predictive analytics pipeline for accounts receivable using machine learning algorithms, improving forecasting accuracy by 25% - Created an internal chatbot using ChatGLM2, significantly improving data retrieval efficiency - Researched Nvidia's CUDA technology for insights to promote cash flow analysis - Authored insightful monthly reports for an internal AI journal within the company	2023 – present 3 years

Skills

Languages: English (native), Chinese (native), Spanish (intermediate)

Programming: Python (NumPy, Pandas, SciPy), C/C++, Java, Javascript, R, HTML/CSS

Awards

Optiver Market Making Game	Mar 2025
4th place out of 20 teams	
IMC Prosperity Trading Competition	Apr 2024
Top 250 out of 13,000+ teams	
Mathematical Contest in Modeling	Feb 2024
Top 35% out of 18,000+ teams	
Carnegie Mellon University Quantathon	Feb 2023
Top 8 out of 40 teams	
83rd Putnam Competition	Dec 2022
Top 25% out of 3,415 participants	

Activities

CMU Tricking Club: Vice President

CMU K-Pop Dance Club: Film Co-chair

CMU Quant Club: Member
